Breakin' Clay for the Cure, Inc  
Attn: Steve Bowers, Board Member  
236 Fawn Dr  
Harleysville, PA 19438

Dear Steve,

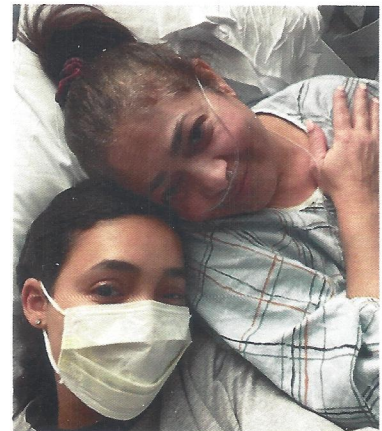

Thank you for the generous gift of \$28,000.00\* to support Gift of Life Howie's House. We appreciate your organization choosing to benefit the House for your 2023 program and congratulations on another successful fundraising event!

Your gift is helping light the way home for transplant families by providing them with safe and affordable lodging, home-cooked meals, transportation, an on-site social work team, and a whole community of caring people.

Sandra Pabon received a life-saving liver transplant in 2023 after five long years on the transplant waiting list. She had multiple complications post-transplant, and her family needed a place to stay while she remained in the hospital for many months.

Sandra's husband, David, stayed at the House to be close to her while she was under sedation and in recovery. Their four children also would come to visit whenever they could.

"This program made it possible for my family to stay close to my mom while she continued to fight for her life. It gave us a community to turn to full of people who were going through the same experience we were," says Kelsey, one of Sandra's daughters.

Thank you again. Because of people like you, families like Sandra's have a home away from home and resources to help them navigate the transplant journey.

With gratitude,

  
Richard D. Hasz  
President and CEO

*Wow! Thank you so much for this amazing gift. Truly appreciate your support of transplant patients and their families!*
