Dear Rich Arnold:

On behalf of the 38 women in Pennsylvania who will be diagnosed with breast cancer today, ***thank you for being a Grassroots Partner!*** Because of your \$32,000.00 donation from the annual Sporting Clays Memorial Shoot, the PA Breast Cancer Coalition can provide programs, services, and one-on-one patient advocacy to women and families facing breast cancer.

You're not just donating; you're actively contributing to positive change. Your effort makes it possible for us to pass life-saving legislation for thousands of women, to fund ground-breaking breast cancer research, and to send over 1,300 **FREE** Friends Like Me care packages annually to women who have been recently diagnosed across the state.

Again, your contribution has touched thousands of lives in Pennsylvania, and we are honored to call you a Grassroots Partner. It is the mission of the PA Breast Cancer Coalition 'to find a cure for breast cancer now, so our daughters don't have to.' With heartfelt gratitude, we express our thanks for your belief in our mission, taking us a step closer to finding a cure.

Warmest Regards,

Pat Halpin-Murphy
